The Gallatin

Benny, I'll
always remember
the few times
we had together,
the few times I was in
the study hall, and all
the little things you've done for
me. Thanks a lot for the advice
you gave me that night I was on
my rear, I'll always remember it and
you. I'll try not to party anymore. Benny,
I can't say much more except stay as
wonderful as you are and you'll go a
long long ways. Have fun the rest of your
life, and never forget me for I won't.
Love
Kathy Hyman

Betty
Don't ever

Bozeman. Be good and
wish you loads of luck.

Betty to a
Best of luck to
real swell kid. To
had you won't be back
next year we'll miss you.
Remember Ph. Geometry and
hours we spent over the phone
discussing Geometry (?). And
the free samples.
Carol Zeein

Best of luck
to you in all
your future years -
Don't ever forget
our many times together.
It's been nice having
a swell friend like the

BECAUSE a wise teacher had the patience and the foresight to blaze a clear, bright trail through a bewildering jungle of confusion, we are stronger—better-informed Americans.

BECAUSE a just counselor had the courage and the fortitude to admonish us when we erred, and to praise us when praise was due, we are more solid—more useful citizens.

BECAUSE a loyal friend had the kindness and the understanding to give a pat on the back and a cheery smile when we needed these expressions, our lives are brighter—our burdens lighter.

For all of these things we are truly grateful. We humbly dedicate this annual to the memory of Mr. Arthur H. Roberts, teacher, counselor, friend.

PRINCIPAL'S MESSAGE

Gallatin County High School was created in 1900; fifty-six years of continued operation. Our alumni are found in all walks of life in this thriving community. They all agree that the best years of their lives were those spent in high school. May our new unified school system continue to be of real service to the youth of this area.

Any boy who thinks he can qualify as one of Galatin's "mighty musclemen" is eligible for Wrestling. Before every meet, keen competition arises between the boys for a place on the wrestling team. The GCHS team "grunt and groaned" to victory over Miles City, tied Helena, and failed to make the grade in a contest with Billings. This organization is coached by Tom LeProwse.

This year our Student Council has really exercised some of its powers as government of the student body. Its main achievement was the forming of a new constitution to replace the out of date and little used one of 19???. It has worked toward the establishment of order in the halls and lunch line. The Student Council also sponsored a dance to raise funds for the newly formed State Conference which was held in Hardin, Montana.

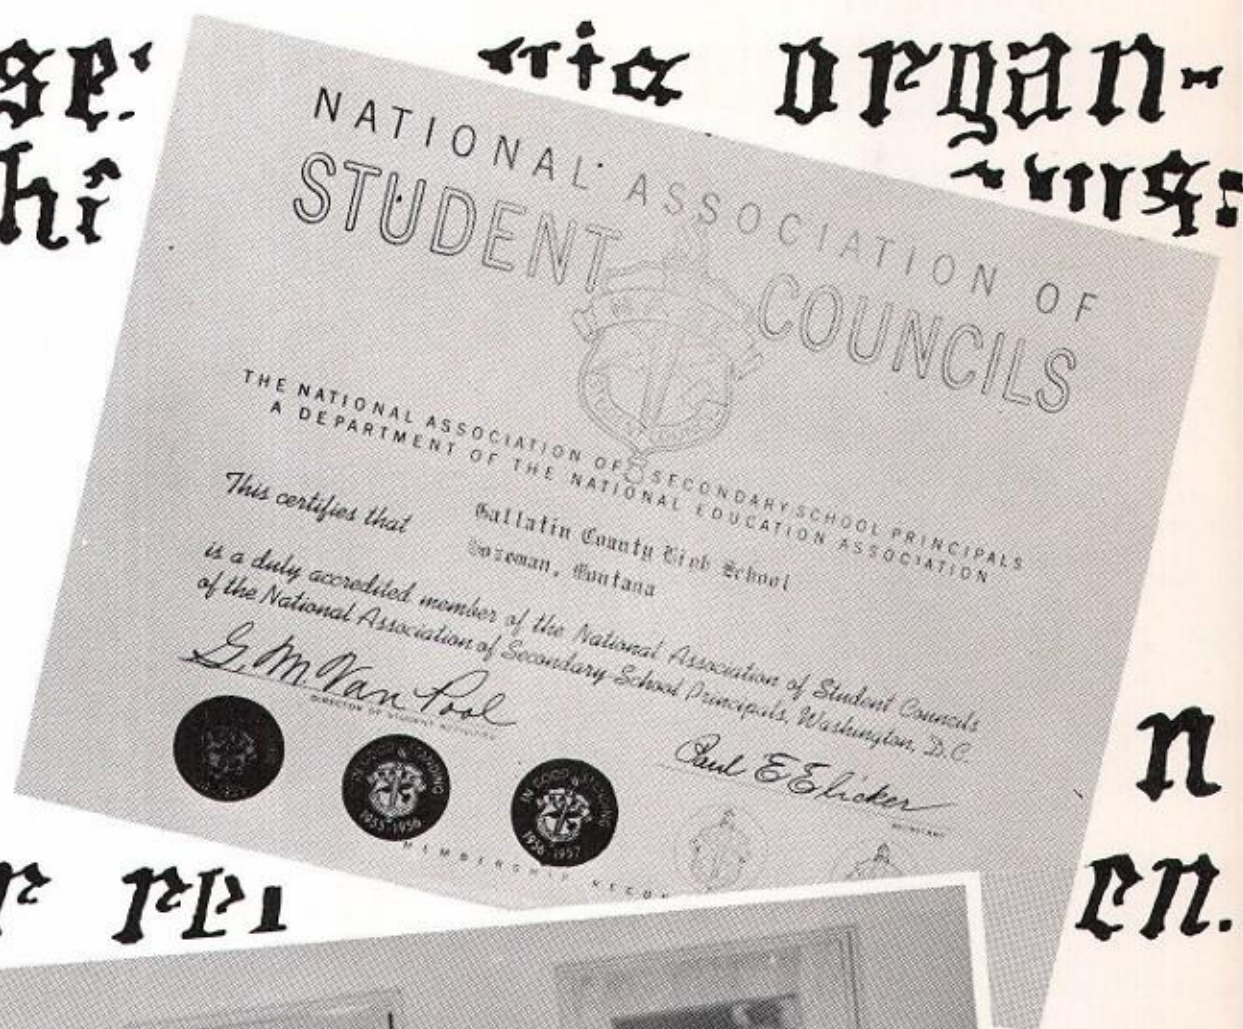

"Now in my estimation . . ."

Preamble

The purpose of organization shall

The constitution committee, headed by Dave Thomas has worked industriously on a new constitution. Changes include enlarging the membership of the council, adding a judicial branch, and strengthening the executive and legislative branches of our student government. This new program which promises a more effective student government will go into full effect.

The orchestra is a group of hardy individuals who rehearse at odd times and in an odd environment. In spite of the "oddities" of the situation, however, there are glowing examples of artistry in the group. Several members of the orchestra play important parts in select college and civic musical organizations, and several were selected to perform in the All-Northwest Orchestra which was directed by Mr. Irwin Hoffman, Conductor of the Vancouver Symphony Orchestra.

Several other talents are in evidence in the orchestra. A state champion wrestler keeps in condition by playing the violin. Musical expression replaces the oral expression of two speech contest finalists.

NATIONAL HONOR SOCIETY

The members of the National Honor Society are: Gloria Mitchell, Paul Renne, John Nickey, David Anderson, Dick Hill, Karen Sperry, and Niki Nelson.

Each spring five percent of the Junior class and fifteen percent of the

senior class are chosen upon their scholastic ability to be in this organization.

The aim of the society is to promote scholarship and is sponsored by Mr. Shellenberger.

Latin Club is composed of outstanding Latin students and is headed by Miss Russell. Each year a Roman Banquet is held at which the Latin Club members, clad in togas and reclining on couches, are served old Roman dishes by their slaves. Lack of silverware and shoes, plus observance of old Roman manners (?), greatly elevates the atmosphere into one truly characteristic of a Roman festival (minus, however, the aqua vitae.)

TRIBUTE TO GALLATIN

The clamor in the halls, the cheering at the games, the parties, the good times, the friends we made—these are the memories we will always have of old G.C.H.S. We may leave you in person, but not in spirit, "Old Gallatin." We wish the best of luck to those of you who are about to enter a beautiful new school, and we hope that your memories of it will be as wonderful as ours have been at Gallatin.

We pay homage to you, Gallatin, and a tribute to the new school, that will take your place.
